This Rose One Ceiling Rose Canopy Kit comes with EVERYTHING you need to make your own single hole pendant light utilizing our LARGE round Rose One Canopy & Cover.

What sets this apart from our regular pendant light canopies is that this is a two part system with an extra deep ceiling canopy that allows for easier wiring of connections, as well as a wide cover over the canopy that allows you to create pendant lights, swag chandeliers, cluster lights and more with even greater impact.

This Rose One Ceiling Rose Canopy Kit includes the following: a LARGE Rose One Cover (7.87" diameter) with one pre-drilled hole; a LARGE Extra Deep Rose One Canopy (4.7" diameter); cable clamp strain reliefs; and all brackets & mounting hardware.

Our Rose One Ceiling Rose Canopy Kits come in a wide variety of colors and designs. And you can choose from the whichever pre-drilled hole pattern works best for you OR purchase one of our Rose One Cover Un-drilled Blanks and you

can create whatever pattern you like!

Note that our Rose One Kits do not include bulbs, light bulb sockets, or cloth covered wire cables but you can all of these here on our website.
