

Product codes:

Reference: CPLB-T

EAN13: -

Ceramic Bottle Pendant Light:
Terracotta

Assembled: Assembled, DIY Kit

Finish: White, Black

Product short description:

Pendant Light with Italian-made Ceramic Bottle shade, 1.5m of rayon cable and thermoplastic components.

Choose between White or Black components to suit your project.

The ceiling rose does not come attached and is instead added to the pendant by your electron on installation. Choose ASSEMBLED to have the lamp holder pre-wired to the cable or DIY for your electrician to add it.

This pendant take any E27-screw-in light bulb. Please note that the bulb width of a G95 or ST64 will fit.

Component information can be found here:

- Lampholder for lampshades.
- Ceiling Rose Cylindrical.
- RM01 White or RM04 Black.

If you would like to customise this design please send us an email: info.au@creative-cables.com
